

Iowa Real Estate Transfer Tax Table

(6/91)

The following table reflects the real estate transfer tax liability for the increments of consideration listed. The tax for an amount between the listed consideration increments, is the highest of the two tax amounts. For example, an exact \$3,000.00 consideration is taxed at \$4.00, but \$3,001.00 consideration is taxed at the rate shown for \$3,500.00 which is \$4.80.
