I certify that to the best of my knowledge, the above information is correct, that all proposed work as indicated will be completed in accordance with the Louisa County regulations before the facilities are placed in operation, and that adequate maintenance procedures will be followed.

It is understood that the local board of health may require a connection to a public sewer when one becomes available in the future. Louisa County, by issuance of this permit and performance of related inspections, does not warrant the performance of this sewage disposal system, nor that it be free from defects.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
